Mr. A. L. Manley,
Newark Eagles Baseball Club,
Newark, N. J.

Dear Mr. Manley:

We are contemplating here a Sunday game with your team on April 23, and another exhibition in Athens, Ga., or possibly Augusta, Ga., on April 24 and 25.

If these suggested dates meet your fancy let us know by return mail your agreement to play at the times and places mentioned.

Hoping that the Eagles will bounce right up to the top of the league in May and remain there until the curtain is down, I am

Sincerely yours,

Ric Roberts
